

Phoneraiser™

Dear Business Owner:

(Getwell.org, "Youth Education") is conducting a Phoneraiser fundraiser. There's nothing to buy.

We are asking you to participate by placing one of our bins in your office to collect used cell phones and ink cartridges, and to spread the word about the benefits of donating. There are several reasons why we think you'll want to get involved:

- ▶ **We're not asking you for cash donations!**
- ▶ **Donations of your unwanted cell phones and ink cartridges can mean support for our organization.**
- ▶ **You will be giving old technology new life and keeping it from polluting our landfills. Each cell phone can pollute up to 132,000 liters of drinking water. Your unwanted cell phones and inkjet cartridges will be recycled in accordance with EPA regulations or refurbished and reused.**
- ▶ **Your donation may be tax deductible.**
- ▶ **All of the proceeds from the items we collect will help fund (Youth Education Programs on Abuse).**

Items donated through our Phoneraiser program are given new life. Your used phones are recycled or reused. Phoneraiser makes your unused technology available to those who can use it, while keeping it out of the landfill.

Please allow us to post one of our Phoneraiser flyers alongside a collection bin in your place of business. By doing so you give support to our organization and help us to continue our good work!

We greatly appreciate your support!

Best regards,

Organization Getwell.org
